Doug crossing finish line at  
this year's Boston Marathon

## Doug & Connie Raise Funds for needy children by Completing Boston Marathon

As you probably already know, Connie and I  
traveled to Boston in mid-April to run the  
Boston Marathon. The cold, rain, and wind made  
the weather for this year's race particularly  
challenging, but we both crossed the finish line..

Through the generosity of many groups  
of people, we were able to raise over \$4000  
for two great children's causes; Windsor's  
Special Olympics program and Project Self  
Sufficiency's "Cool Kids" clothing fund.

We don't have a final total yet because at the  
time I am writing this, donations are still coming  
in.

We particularly want to thank all of our  
guests at Tortilla Marissa's and Windsor's Main  
Street Grill who contributed to our efforts. I also  
want to thank the members of the Foothills  
Rotary Club in Fort Collins, our friends and  
family members, many of our running friends,  
and all of those who helped us reach this goal.

We are truly grateful to all of you.

Until next month -

Party On, *Doug*

## 8 Secrets To Buying The Best Grill

If you're in the market for a new barbecue this summer, take this advice from Consumer Reports:

1. Bring a magnet when shopping. The cheaper varieties of stainless steel are usually magnetic and more likely to corrode; if the magnet sticks, opt for another model.
2. Look for heavy, stiff grates made of thick stainless steel or porcelain-coated, heavy-cast iron. These sear meat more effectively.
3. Give the grill a gentle bump from several angles to see if it's prone to tipping.
4. Brass fittings and burners are more durable than those of other materials.
5. Don't be swayed by grills with higher BTUs; these typically don't translate into faster heating or better cooking.
6. Look at the grease drainage system; the greater the distance between the fire and the grease collector, the less chance of a sustained flare-up.
7. Opt for free assembly even if you have to pay for delivery.

## Celebrate Cinco de Mayo Days, May 4-6

The holiday of Cinco De Mayo, The 5th Of May, commemorates the victory of the Mexican militia over the French army at The Battle Of Puebla in 1862. It is primarily a regional holiday celebrated in the Mexican state capital city of Puebla and throughout the state of Puebla, with some limited recognition in other parts of Mexico, and especially in U.S. cities with a significant Mexican population. It is not, as many people think, Mexico's Independence Day, which is actually September 16.

## Good News for White Wine Drinkers

White wine confers heart benefits similar to those touted for red wine, according to a study by Dipak Das of the University of Connecticut School of Medicine and his colleagues at the University of Milan.

Previously, scientists believed that grapes' beneficial antioxidants were found mainly in the skins. Red wine is made with both grape pulp and skins, but the skins are removed in making white wine.

Das's research showed that the flesh of grapes provided the same levels of heart-protecting compounds as the skins. Not only that, other research at the State University of New York at Buffalo has shown that white wine contains anti-inflammatory substances and antioxidants that improve lung function and can help bone and joint diseases.
